

# Protection For You And Your Suzuki Vehicle

Your Suzuki vehicle was built to exacting specifications. We are confident in its reliability, but local climate, road conditions and normal vehicle usage cause even the best components to fail occasionally.

The Suzuki Protection Plan is your safeguard against costly vehicle repairs and provides peace of mind while you're on the road. When you're protected by the Suzuki Protection Plan, both parts and labour are covered – you pay only your deductible, where applicable, on covered repairs.

## Peace of mind

With a repair network throughout the continental U.S. and Canada, Suzuki's commitment to you is to provide a worry-free driving experience. Your Suzuki Dealer offers professional, Suzuki-trained technicians, using only Suzuki authorized replacement parts for repairs performed on your Suzuki vehicle.

## Deductible

The Suzuki Protection Plan is available in three deductible levels – \$0, \$100 or \$250 – allowing you to select the deductible most appropriate to your needs. For any covered repairs you pay only the deductible, plus taxes applicable to the deductible. Should the same covered part fail again, no deductible will apply to that failure.

## Transferable Coverage

The Suzuki Protection Plan can increase the resale value of your vehicle. If you sell your vehicle before your coverage expires, the remaining coverage may be transferred to a subsequent private retail buyer at no charge.

## Inflation Protection

The Suzuki Protection Plan also provides protection for you and your family against unexpected and rising repair costs. It can be the most valuable option you choose for your vehicle.

## Replacement Vehicle Rental Benefit

We want to keep you on the road and on your way. When covered repairs require at least 2 hours of shop labour time, or if your vehicle is inoperable requiring it to be held overnight, the Suzuki Protection Plan will provide an allowance\* to help cover the cost of a vehicle rental.

\*The maximum reimbursement amount will be predetermined in your Suzuki Protection Plan agreement.
